

MANUFACTURER CERTIFICATION STATEMENT

Arizona Tax Credit for Residential Homeowners

Tubular Skylights (Solar Daylighting Devices)

Elite Solar Systems, Inc. certifies that as of March 1st, 2005 the 10", 13", 18", 21" and 24" tubular skylight units have been approved by the Arizona Department of Commerce Energy Office Guidelines for Solar Devices (for the Arizona Solar Tax Credit). Under the "State of Arizona Solar Devices: Guidelines and Procedures," Section 4.3.1, Elite tubular skylights have met the qualifications as they pertain to skylights and have been approved by the Department of Commerce Energy Office as a solar daylighting device.

- Elite 6" Tubular Skylight (6ETS)
- Elite 10" Tubular Skylight (10ETS)
- Elite 13" Tubular Skylight (13ETS)
- Elite 18" Tubular Skylight (18ETS)
- Elite 21" Tubular Skylight (21ETS)
- Elite 24" Tubular Skylight (24ETS)

**For Elite tubular skylights, you may report 25% of the total purchase price and installation costs.
TAX CREDIT: 25% of cost with an upper limit of \$1,000 (see Arizona Form 310 instructions)**

Tax credits for solar energy devices (Arizona State Form 310) are available at 25% as determined annually by the Arizona State Legislature and the Arizona Department of Revenue.

Details: "Arizona Law provides a solar energy credit for an individual who installs a solar energy device in his or her residence located in Arizona" and is "an Arizona Resident who is not dependent of another taxpayer" per Arizona Form 310 published by the Arizona Department of Revenue. Please refer to the Arizona Form 310 instructions for instructions and guidelines for this tax credit.

This Manufacturer Certification Statement is required to claim a tax credit, please keep a copy of this certification along with a copy of your invoice and manufacturer warranty sheet with the unit serial number for your records. Income tax regulations require tax payers to maintain suitable records to qualify for a tax credit.

I declare, under penalty of perjury, that this Manufacturer Certification Statement, to the best of my knowledge, is true and correct.

Juan A. Estrada
President
Elite Solar Systems, Inc.

Disclaimer: Taxpayers should consult with their tax professional for any questions regarding applicable tax credits. Elite Solar Systems is not responsible or liable for taxpayer's ability to receive tax credits due to qualification requirement changes, revisions or cancellations of the tax credit by the Arizona 2020 Legislature and Arizona Department of Revenue. Visit [http:// www.azdor.gov](http://www.azdor.gov) for more tax credit information. Consumer is completely responsible for compliance to all codes, laws and regulations regarding installation, use, maintenance and handling of all Elite Tubular Skylight Products.
